

ONLINE-HYBRID MASTER OF ARTS IN THEATRE

Web Site: <https://twu.edu/theatre/graduate-programs/>

The TWU Master of Arts in Theatre online-hybrid option is designed for Texas residents who are unable to attend traditional face-to-face courses while they earn college credit towards their Master of Arts in Theatre degree.

At least 51% of the total institutional degree is offered by distance learning methods. Some courses are presented in traditional, face-to-face sessions. Other courses combine face-to-face class meetings with regular online communication. Still, other courses are completely online while some are administered through independent study with a Theatre Program faculty member. Courses offered as hybrid classes will require 3-6 campus meetings per class.

Classes are offered in the Redbud Theater Complex in Hubbard Hall on the TWU Denton campus and online. The TWU Master of Arts degree plan requires 36 semester credit hours for successful completion.
