Web Site: <https://twu.edu/history/graduate-programs/master-of-arts-in-history/>

The Department of Social Science and Historical Studies' mission to provide global citizens with a multicultural view of the past resonates with graduate course offerings that emphasize the historical experiences of women, men, and children of varied races, ethnicities, and socio-economic backgrounds. In addition, the department's graduate program in history challenges students to further develop critical and analytical thinking skills through close interaction with primary source materials and historiographic interpretation.

We also have an M.A. in History with an Emphasis in Public History (<https://catalog.twu.edu/graduate/arts-sciences/history/public-history-ma/>).
