

MASTER OF ARTS IN HISTORY WITH AN EMPHASIS IN PUBLIC HISTORY

Web Site: <https://twu.edu/history/graduate-programs/master-of-arts-in-history/>

The M.A. Program in History at TWU seeks to provide global citizens with a multicultural view of the past, embedded in graduate course offerings that emphasize the historical experiences of women, men, and children of varied races, ethnicities, and socio-economic backgrounds. In addition, our graduate program in History challenges students to further develop critical and analytical thinking skills through close interaction with primary source materials and historiographic interpretation.

The program's emphasis in Public History equips students, through coursework and interactive internships, with the skills, methods, and tools necessary to present the past to popular audiences in a variety of traditional and emerging settings.
