Practica

Counseling Psychology students will spend a minimum of two semesters each in two practicum placements for a total of four semesters of practicum. The student will consult with the Practicum Coordinator to arrange for appropriate placement.

Special Requirements

Students are required to maintain a grade point average of 3.5 or better on a 4.0 scale in all courses applied to the degree. If a grade of C or less is earned in a course, the student will be required to complete a formal remediation process. If a second grade of C or less is earned (in at least six SCH total), the student will be dismissed from the program.

Comprehensive Examinations

A written comprehensive exam will be required for all students who do not complete a Thesis.
