

DUAL DEGREE: MASTER OF SCIENCE IN HEALTH STUDIES AND MASTER OF LIBRARY SCIENCE

Web Site: <https://twu.edu/health-studies/graduate-programs/dual-degree-ms-in-health-studiesmaster-of-library-science/>

Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/the cb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

For the Master of Library Science

1. Deliver innovative, high-quality health information services responsive to the needs of diverse communities.
2. Utilize technologies to meet changing health information needs.
3. Facilitate the access and use of biomedical, clinical, and health information.

For the M.S. in Health Studies

1. Communicate and advocate for the improvement of health.
2. Assess health needs and recommend appropriate solutions.
