Special Requirements

All tracks are approved for Distance Education.

1. A grade of B or higher must be achieved in all required courses. A student who has earned a grade of less than B (C, D, or F) in two required courses at the graduate level or who has earned a grade of less than B (C, D, or F) twice in the same graduate-level required course will be removed from the nursing program. A student who

does not maintain a GPA of 3.0 or higher will be dismissed from the nursing program. For the purpose of removal from the nursing program, a grade of less than B is counted as a grade of less than B even if the course has been successfully repeated.

2. Students admitted to the master's program provisionally, based on low GPA, must complete the first 12 semester credit hours of graduate courses with grades of B or better in each course; at least 9 semester credit hours must be in nursing courses. A provisionally admitted student will be dismissed from the program if a grade of C or lower is made in any course during the probationary period.
3. Graduate students have six years to complete the MSN program.

Time Limit

Semester credit hours older than six years, including transfer courses, cannot apply toward the master's degree or post-master's certificate completion.

Final Examination

Oral examination of the completed professional or clinical project (subject to change).
