Web Site: <https://twu.edu/teacher-education/graduate-programs/educational-leadership/>

The Educational Leadership Program in the Department of Teacher Education offers coursework leading to recommendation for Texas Principal as Instructional Leader Certification. To obtain a recommendation for certification through Texas Woman's University, an individual must have a master's degree (preferably in education or an education-related field), a valid Texas teaching certificate, two years of creditable teaching experience, and completion of coursework on a plan of study leading to certification. After being admitted to the Graduate School, Educational Leadership Program, and the Educator Preparation Program, the certification candidate must meet with his or her faculty advisor to complete a plan of study. The number of semester credit hours required and specific coursework varies with respect to applicants' academic preparation and experience. Further information about certification program plans of study and requirements for the TExES examination can be found at TWU Educational Leadership (<https://twu.edu/teacher-education/graduate-programs/educational-leadership/>).
