Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/the cb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

1. Evaluate theories and research about the processes and practices of literacy instruction.
2. Apply knowledge of a variety of instructional approaches, including technology, to create an environment that supports literacy learning.
3. Apply understandings of how diversity affects and enriches the literacy development of students.
4. Apply leadership skills that support communication and collaboration around issues related to literacy learning with the school, parents, and community.
