OR		
A full-time, two-semester internship in a TEA-accredited school setting in which the student is employed as the teacher of record.		
Total SCHs		30

Special Requirements

- Only courses in which the student achieved a grade of 'B' or higher may be included in the degree plan.
- EDUC 5113, EDUC 5123, EDUC 5133, EDUC 5143, and EDUC 5173 must be achieved with a grade of "B" or higher in order to be included on the degree plan.
- A minimum grade point average of 3.0 must be maintained.
- Students complete early field experiences prior to clinical student teaching or professional internship. These experiences are designed to introduce students to diverse classroom settings and provide opportunities to generalize course content in an applied setting. Please refer to course descriptions for the number of field hours required for specific courses. The Office of Clinical Practices (<https://twu.edu/office-clinical-practices/>) works with faculty to place students in approved districts; faculty will provide information about required assignments related to field experiences.
- Students must pass all TExES exams (https://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html) prior to clinical student teaching or professional internship.
