Marketable Skills

Marketable skills prepare students for success in a variety of professional settings. Developed through academic coursework, co-curricular engagement, and extracurricular involvement, these skills include communication, critical thinking, teamwork, ethical reasoning, adaptability, and digital literacy. Whether directly related to a student's major or serving as complementary strengths, marketable skills enhance career readiness and reflect TWU's commitment to producing graduates who are prepared to thrive in today's dynamic workforce.

1. Effectively articulate foundational issues in the field of Special Education.
2. Appropriately evaluate research methods appropriate for study of students with disabilities.
3. Apply appropriate research methods in the study of students with disabilities.
