

# DOCTOR OF PHILOSOPHY IN HUMAN DEVELOPMENT AND FAMILY STUDIES

**Web Site:** <https://twu.edu/human-development-family-studies-counseling/graduate-programs/family-studies/>

The Ph.D. in Human Development and Family Studies prepares students for career opportunities in higher education, research, or leadership, as well as working with children, adolescents, adults, and families in professional and academic settings.

## Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/the60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

1. Critically consume research literature.
2. Academic/scholarly writing skills.
3. Quantitative and qualitative research skills.

## Admissions

All students must meet the University requirements as outlined in the Admission to the TWU Graduate School (<https://catalog.twu.edu/graduate/graduate-school/admission-graduate-school/>) section of the catalog.

The academic program may have additional admission criteria that must also be completed as outlined on the program's website.

## Degree Requirements

### Total Semester Credit Hours Required

A minimum of 78 semester credit hours above the bachelor's degree (48 hours beyond the master's degree), including 9 semester credit hours for dissertation. 30 of the 78 hours must be research courses. Consult with an advisor for approved research courses.

### Special Requirements

No grade below B is accepted towards any graduate degree in the Department of Human Development, Family Studies, and Counseling (HDFSC). If more than one grade below B is earned while enrolled in any HDFSC graduate program, the student will be dismissed from the program and will be ineligible to re-enroll in any program within the department for a period of eight years.

### Degree Plan

Students must submit a degree plan which follows the degree requirements listed below. The degree plan should be developed in collaboration with the student's advisor and committee, and it should be filed after the student has completed 18 hours of coursework.

## Research Tools

The Department of HDFSC requires students to complete 12 hours of research tools. The department has a list of courses that meet the research tool requirement, and these courses are part of the degree requirements listed below. They are also included in the 30 hours of research-focused coursework required by the Graduate School.

## Qualifying Exam

The Department of HDFSC administers a qualifying exam for each student prior to admission to candidacy. The student must complete the required research tools before being eligible to take the exam. Students should take the qualifying exam in their last or second-to-last semester of coursework. In no case may a student be excused from the qualifying exam, and students may not register for dissertation hours (HDFS 6983 and HDFS 6993) until they have successfully passed the exam and have been admitted to candidacy. The qualifying exam may only be repeated once. Students who fail two attempts at the qualifying exam will be dismissed from the program.

## Dissertation and Final Examination

All students are required to complete a dissertation. Upon completion, the student will participate in an oral defense of the dissertation and the research upon which it is based. The student's advisory committee will determine the outcome of the exam. The final examination may only be repeated one time.
