

MASTER OF LIBRARY SCIENCE

Web Site: <https://twu.edu/slis/programs-admission-requirements/master-of-library-science-degree-mls/>

The Master of Library Science program prepares professionals for careers as librarians and information specialists. The program provides students with the fundamental knowledge and skills needed to be competent professionals in libraries and other information environments. Students develop an individualized plan of study that includes advanced instruction in a specialized subject area and a practicum experience aligned with their interests and career goals. The Master of Library Science program is available entirely online.

Accreditation

The Master of Library Science degree program at Texas Woman's University is accredited by the American Library Association Committee on Accreditation, with the status of Continued accreditation. The next comprehensive review visit is scheduled for 2025.
