The Career Connections Center (<https://careerconnections.twu.edu/>) helps you connect your educational experience to the world of work. We are here to assist you with all aspects of your career planning, from choosing a major to negotiating a salary. The Career Connections Center has professional and friendly staff available to work with students from each TWU College and campus, providing tailored coaching to meet individual needs.

Offering a wide variety of programs to aid students throughout the career exploration and preparation process, we partner with you to:

- Choose a major and *connect academics to careers*
- Design a plan for success
- Connect to potential career and internship opportunities
- Connect with *employers in fields of interest* and learn the effective job search strategies to get you where you want to be

Whether you are on-campus or online, the Career Connections Center has programs, tools, and resources available to assist you as you prepare for and make career decisions.

- Self-exploration assessment tools
- *Online resources*, including tools to assist you with resume and cover letter writing, interview practice, career exploration, and more
- Career advising appointments, including resume, job search, and graduate school application document review
- Workshops and webinars on a wide range of relevant career-related topics
- Job postings, career fairs, and networking events

So come visit us and *make a connection* that can lead to your career success!
