

ID CARD/PIONEER CARD

The TWU Student ID is issued to a student upon registration in the first semester of enrollment. ID cards are typically used for attending events, checking out laptops, accessing the Fitness and Recreation Center, meal swipes in the dining hall, and utilizing dining dollars across campus. Students should make it available upon request to academic and administrative officials.

There is a \$25.00 replacement fee for lost, stolen, or discarded IDs.

For locations, office hours, frequently asked questions, or other ID Services (<https://twu.edu/id-services/>) related inquiries, visit the ID Services website (<https://twu.edu/id-services/>).

The TWU ID Card is non-transferable. Fraudulent or unauthorized use warrants confiscation of the ID card. Anyone who uses their card to give false information is subject to university discipline and appropriate criminal prosecution.
