The Veteran and Military Student Center is a dedicated space for veteran and active duty students featuring computers, printer, tables, refrigerator, microwave, and coffee maker. This space is used for relaxing with fellow veterans and service members, studying, and conducting Student Veterans Association (SVA) chapter meetings. All veteran and active military students registered with the VA certifying official in the Registrar's office will automatically be granted access to the center. A TWU student ID card is required to swipe into the center. Please direct questions about the center, including access, to the CARE (<https://twu.edu/care/>) office.
