

BACHELOR OF SCIENCE IN AVIATION SCIENCE

Web Site: <https://twu.edu/aviation/>

The Aviation Science program prepares students for a career in aviation. In addition to completing flight training in preparation for commercial pilot certification, the program offers robust coursework in all facets of aviation, leading to two track options: Professional Pilot and Aviation Management.

Students pursuing the Bachelor of Science in Aviation Science are not eligible to utilize benefits associated with the GI Bill®. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website (<https://www.benefits.va.gov/gibill/>).
