Web Site: <https://twu.edu/english-rhetoric-spanish/undergraduate-program/>

Thought leaders are those people in communities and organizations that others turn to for their expertise. They inspire and influence others with their grounded knowledge and innovative thinking. This undergraduate certificate program prepares students to take the knowledge and skills developed while earning their degrees and translate them to the public, teaching them ways to enhance and communicate their credibility as leaders. Through a combination of MWGS coursework focused on social justice and advocacy; English coursework in rhetoric and writing; and a faculty-mentored, student-led community advocacy project, students who complete this certificate will be poised to put their degrees to work as leaders in their communities.
