

ACCELERATED BACHELOR OF SCIENCE IN SOCIOLOGY/ MASTER OF SCIENCE IN SOCIOLOGY

Web Site: <https://twu.edu/sociology/undergraduate-programs/>

The Accelerated Bachelor of Science/Master of Arts in Sociology provides exceptional undergraduate students in the Sociology program an avenue toward accelerated completion of a Master's degree and allows undergraduates to begin taking graduate-level courses when they have completed 90 credit hours toward their baccalaureate degree, thus reducing the calendar time necessary to complete their degree. No undergraduate course may count toward the accelerated Master's degree. The Accelerated Bachelor of Science/Master of Arts in Sociology is a highly competitive program, and we anticipate accepting no more than 10 percent of our undergraduate population in any given year.
