

# **ACCELERATED BACHELOR OF SCIENCE IN DENTAL HYGIENE/ MASTER OF SCIENCE IN HEALTH STUDIES**

---

This program provides exceptional undergraduate Dental Hygiene majors with an avenue toward accelerated completion of a Master's degree in Health Studies with an emphasis in Dental Hygiene. Students in the program complete 6 semester credit hours (SCH) of graduate coursework during their final undergraduate semester, which will count toward both their B.S. in Dental Hygiene and M.S. in Health Studies degrees.
