Marketable Skills

Marketable skills prepare students for success in a variety of professional settings. Developed through academic coursework, co-curricular engagement, and extracurricular involvement, these skills include communication, critical thinking, teamwork, ethical reasoning, adaptability, and digital literacy. Whether directly related to a student's major or serving as complementary strengths, marketable skills enhance career readiness and reflect TWU's commitment to producing graduates who are prepared to thrive in today's dynamic workforce.

Teacher Certification Skills

- Appropriately explain the impact of effective planning and communication (within the chosen area of concentration) to relevant internal and external stakeholders in an education or community setting.
- 2. Identify, select, and implement entry-level instructional plans when serving as an instructor in the school setting.
- 3. Successfully manage organizational and student behavior when teaching in the school setting.
- 4. Efficiently and accurately assess student progress and use data to develop and modify instruction for K-12 students.
- Work effectively and collaboratively with students and families from diverse backgrounds.
