

BACHELOR OF SCIENCE IN CHILD DEVELOPMENT (CHILD LIFE)

Web Site: <https://twu.edu/human-sciences/undergraduate-programs/child-development/>

The B.S. in Child Development with a Child Life Emphasis prepares students to compete for placement in Child Life Internships. Coursework prepares students for work with children and families in healthcare and community settings. Upon completion of this degree, students may be eligible to pursue certification through the Association of Child Life Professionals (ACLP).

The B.S. in Child Development - Child Life Emphasis program is endorsed by the Association of Child Life Professionals (ACLP) (<https://www.childlife.org/certification/certification-resources/endorsed-program-directory/>).
