

BACHELOR OF SCIENCE IN CHILD DEVELOPMENT (PRE- PHYSICAL THERAPY)

Web Site: <https://twu.edu/human-sciences/undergraduate-programs/child-development/>

The Pre-Physical Therapy track of the Child Development degree is designed to prepare students for an entry-level Doctor of Physical Therapy (DPT) program. Students graduate with a B.S. in Child Development and will be prepared for a variety of careers serving the needs of children and families. The degree does not include coursework in physical therapy, but the degree plan includes the pre-requisite courses to be eligible to apply to the DPT program.
