

BACHELOR OF SCIENCE IN FAMILY STUDIES (MENTAL HEALTH)

Web Site: <https://twu.edu/human-sciences/undergraduate-programs/family-studies/>

The B.S. in Family Studies with Mental Health Emphasis is a broad human services degree that may lead to employment working with families in social service agencies ranging from child/geriatric services to church/family planning agencies. It is also an appropriate major for those interested in graduate degrees leading to careers in family therapy, family life education, and counseling and development.

The Family Studies curriculum has been approved by the National Council on Family Relations (NCFR) as meeting the Standards and Criteria required for the Provisional Certified Family Life Educator (CFLE) designation. Relevant coursework for each of the ten family life substance areas needed for the Provisional Certified Family Life Educator designation is included in the degree program. Courses noted with an asterisk (*) must be completed to qualify for the abbreviated CFLE application process.
